Dear Duncan McKellar,

In accordance with Section 43.3(4) of the *Forest Act*, I hereby offer you a replacement community forest agreement (CFA) for licence K2O. In accordance with Section 43.4 (6) of the *Forest Act*, boundary revisions have been made to remove two Crown Grants applied for by the District of Tumbler Ridge: Crown Land file numbers 8016037 and 8016043. Schedule B of the CFA has been updated accordingly. The replacement Licence document contains updated language throughout, notably Section 1.1- Timber Disposition and Section 2.10- Area Selection Process. Please review the Licence document carefully.

Due to administrative delays, I was not able to make a replacement offer for this licence until this date. Although the date of offer has been delayed, the term of the licence when replaced will begin on January 1, 2021, in accordance with Section 43.4(4).

Pursuant to section 43.4(9) of the *Forest Act*, this offer may be accepted by written notice of acceptance served to the District Manager no later than **three** months after the offer is served. Please have the replacement document signed by an authorized representative and returned to this office within three months from the date of this letter.

If you have any questions regarding this replacement offer, please contact Janelle Dale at 250-795-4161 or Janelle.dale@gov.bc.ca.
